

## Wire Taps, Bugs, and Eavesdroppers

Louis L. Akin is a licensed professional investigator and owner of Akin Investigations in Austin, Texas. Mr. Akin was recently awarded the coveted Meritorious Award for Excellence in Investigations by the Texas Association of Licensed Investigators for his work in catching an eavesdropper in the act. As a result of Akin's investigation the wire tapper is now serving a sentence of five years in prison. Akin attended both the Texas A&M and Jarvis International Academy technical surveillance (TSCM) schools and has been performing electronic sweeps for twenty-five years. ( <http://akininc.com> )
